CHAIRMAN'S FOREWORD

It does not seem to be twelve months since my last message but that may be that it has been a little more contentious than usual.

Club secretaries are reminded that insurance cover is now compulsorily obtained through the ETТА and should not now be necessary at Club level.

Please be aware that rubbers must now conform to the new rule passed at the AGM and glues containing volatile compounds must not be used under any circumstances.

Concerns have been expressed at the diminishing interest in the Sheffield Closed tournament, and a new committee is determined that the next competition will have new features, be more interesting, and provide more involvement for competitors. Please give the committee your support if requested, in questionnaires etc.

Once again, a thank you to all, from players to Executives, who contribute to the finest League in the ETТА.

JOHN F. WHIDBORNE

Visitors shall umpire the first set and subsequent sets will be taken by alternate teams.

- (d) Two points for a win, one point for a draw.
- (e) In the event of short teams and ineligible players, the sets shall be awarded to opponents except where both teams field a short team or ineligible players in which case the sets shall be declared null and void.
- (f) Teams withdrawing during the season all matches declared void.
- (g) Teams not fulfilling fixtures, the opponents shall be awarded 2 points plus 10 sets.
- (h) All fixtures shall be played during the week shown in the fixture list except where a rearrangement is agreed between the 2 teams or clubs. Postponed matches between teams from the same club will be declared void if not played within 14 days of the original scheduled playing week. All other postponed matches will, at the discretion of the Executive Committee, normally be declared void if not played within 4 scheduled playing weeks of the original scheduled playing week. Rule 6(c) applies. In all cases of postponement both clubs or teams shall notify the League Competition Secretary in writing within seven days of the end of the original playing week. Where a match has not been fulfilled through unforeseen or unavoidable circumstances, written application giving full details must be made by both teams to the League Competition Secretary in writing within 7 days of the end of the playing week. This application will be considered by the Executive Committee.
Any teams(s) failing to comply with the above will concede the match and will be fined in accordance with rule 8(d) paragraph 3(e).
- (i) In the event of mutually agreed postponed matches, the home team must provide 3 dates not conflicting with

scheduled matches within 7 days of the original fixture. A copy must be sent to the Competition Secretary. Failure to comply will normally result in points forfeiture.

- (j) Protests and/or claims (including conceded matches) must be forwarded to the League Competition Secretary in writing, copy to opponents within 7 days of occurrence.

Where a club has more than one team in the league, a player may play in any team until a total of six single sets have been won in senior teams, after which the player will be ineligible to play in junior teams.

An A team is senior to a B team, which is senior to a C team etc. In the case of 'named' teams seniority shall be agreed by the Executive Committee at the start of the season.

- (k) Where a club has more than 1 team in a division when submitting its first list of registrations, the club must nominate 3 players for each team in that division. All nominated players may play for any team other than the other team (or teams) of that club in the same division, as are all other players registered by that club. These nominations must be approved by the Executive Committee and can be amended by that Committee in the light of subsequent registrations. Any player or players making more appearances in a team than any 2 of the 3 players nominated for that team, shall remain tied to the team until such time as this no longer applies. On one occasion only during the first six weeks of the season, re-nomination of a club's team may be made with approval of the Executive Committee, if the original nominated player or players is/are unable to play for that team due to illness or other unforeseen absence not envisaged at the time of the nomination.
